Dear Eunice,

Well it's hard for me to sum up the summer and all that's happened. I don't know if it can be summarized because I will remember ever single minute and cherish it all. You guys are pretty special and I know I won't forget you.

I want to wish you the best of luck as you go for your nursing degree. It will be a lot of work I know and I know you know it too but the Bible says "I can do all things through Christ who strengthens me" (Philippians 4:13) so I know you can make it with His help.

It will be very hard to leave this week but when I go I will take with me many happy memories of things we've planned and accomplished and shared. Those memories make it easier to go.

I don't know if we'll meet again before "The Role is Called Up Founder" so to you I say "Have a good life and always be happy, my friend."

Love In Christ

Barbara Evans

Emile,

It was nice just
looking thro. your
"74" Annual again, and
just to refresh your
memories. for now that's
all I like to say. may
God bless you always.

The fact that I never had stayed long in any of the monument country may be the consequence of a certain defensive reaction. There is a kind of beauty—and it is presumably the kind prevailing throughout most of the universe—of which man gets thrilling glimpses but which is fundamentally alien to him. It is well for him to glance occasionally at the stars or think for a moment about eternity. But it is not well to be too continuously aware of such things, and we must take refuge from them with the small and the familiar Wherever the earth is clothed with vegetation not too sparse to modify its essential outlines, it makes man feel to some extent at home because things which, like him, change and die have asserted their importance. But wherever, as in this region of wind-eroded stone, living things are so scarce or so common enough or conspicuous enough to seem more than trivial accidents, he feels something like terror this is a country where the inanimate dominate and in which not only man but the very plants themselves seem intruders. We may look at the moon, but we feel rejected. It is neither for us nor for our kind.

Thespians

VS

Faculty

Although assemblies were limited this year, the students of Chinle High were invited to participate in a basketball game between the Chinle High Faculty and the Thespians Club. Members of the Lettermen's Club refereed as Teachers and Students battled it out. Thespians branched out and recruited new members on game day as Superstar Gary Harrison tore through the faculty defense. Faculty members were persistently fouled as they pulled such antics as hoisting Miss Lambert up to the basket, while Thespian advisor, Mrs. Synder, was heard to yell "No. 2, Faith, No. 2, Regina, No. 2, Someone!" (the old ball under the penny routine).

Thrillers Thrill Chinle?!

Above: "Scarfoot" caught in action. Below: Bones made his new wig.

"Superfly" helps Coach Kimbrough with an untied shoelace.

The Chinle High School Letterman Club sponsored a basketball game on Feb. 6, 1964. The basketball game was for the men's school talent and the junior high school talent. They had the newest talent and greatest basketball team ever. The Chinle Thrillers played the teachers of the high school.

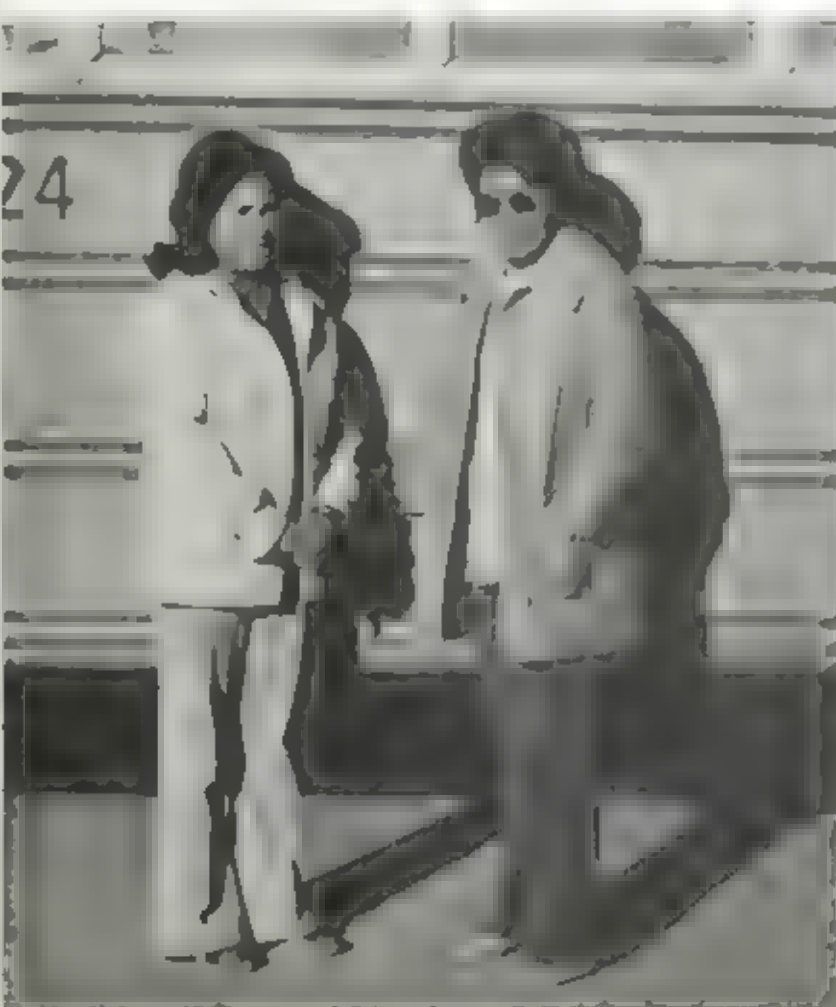

We hope to see more of the basketball game next year.

NORTH-SOUTH DIVISIONAL RUNNER-UP

The Interdivisional Wrestling Meet in Holbrook included 10 teams from the class "A" North-South Districts. Chino placed 2nd in the meet. Holbrook 1st, Marana 3rd. The top 4 wrestlers in each weight class were sent to the State Tournament in Tucson. Chino placed 7 men at District and was second only to Holbrook in the number of wrestlers from one team that were sent to state. Fred Larson and Gary Begay took 1st place. Joe Papa and Clarence Reid took 2nd. Richard Tsosie, Pat Tsosie, and Sam Yazzie all place 4th.

The State Wrestling Tournament was held at the New McKale Center at U. of A. in Tucson, Arizona. Of the 7 boys that made it to State, only 2 placed, Joseph Papa, 3rd, and Gary Begay, 4th place.

The Chinle Freshman Basketball Team has had a good season and so far stands with 11 wins and 4 losses. If everything goes as planned they should finish with a 14-4 record. This season is a credit to a hard working group of players who have worked together to help one another improve needed skills and work together as a team. Two of the four losses came at the hands of a good Window Rock Team, but even in losing the freshmen showed that they can stay on the floor with any team. We haven't got any outstanding height, so we rely on hustle to beat the other teams.

Over the season, the freshmen used the 1-3-1 offense and on defense used a man-to-man and 2-1-2 zone.

Throughout the year they showed improvement in adjusting to the new offense and showed good improvement in using a 1-2-2 zone press on their opponents.

Junior Varsity team member played a great season which is witnessed by their numerous wins. The season began with an exciting, but disappointing game against Tohatchi where after a double overtime the Wildcats lost by one point, 47-48. Their next game, against Joseph City, boosted egos as JV Wildcats swept the court, 61-19. When Chinle met Window Rock on home court, the crowd was in an uproar as Wildcats and Scouts traded baskets down to the line, with Chinle scoring the last basket. All in all, it was an eventful season for JV members and the outlook for next year is great!

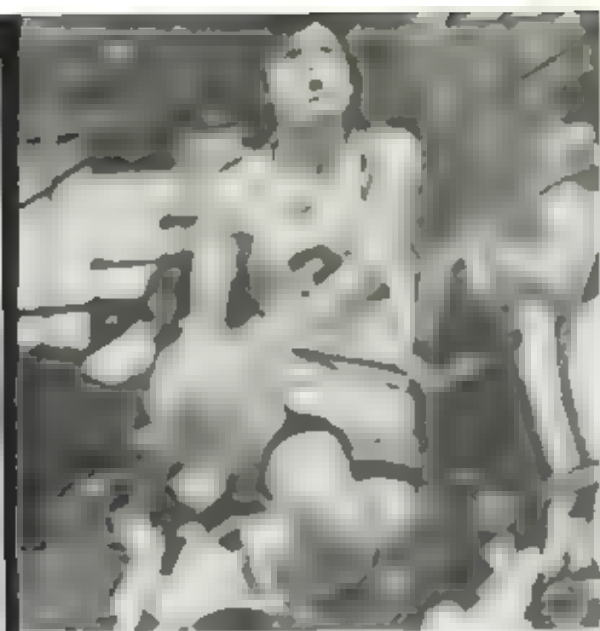

Junior Varsity players got a great deal of playing experience. Several JV players moved up to the Varsity squad during the season, while the remaining JV team ended their season with a 9-6 record.

WILDCAT BASKETBALL

The 1974 Basketball season was the second winning season for the Wildcats of Cimble High. The 13-7 record was well fought for. Being matched against much taller teams they showed tremendous hustle, determination, and teamwork. Their record was strong enough to lock up third place in "A" North competition, and barely lost a trip to Tucson for the State Championship. The team and coaches deserve a lot of credit. Cimble was supposed to occupy the lower half of the "A" North stairway. It turned out with the Wildcats clawing their way to the top of the stairs. Now we look forward to next year. The talent is there, but what about the desire to be No. 1. That remains to be seen.

The Cross-Country team finished its season on Nov. 7, 1957 at Tuba City where they participated in the "A" North Divisional Meet placing 5th out of six schools. During the season they went to 10 cross-country meets with some being as far away as Flagstaff where we placed 10th out of 14 schools and the Squaw Peak Invitational at Phoenix where two runners—Johnson Bia and Henry H. Yazzie competed against over 500 distance runners placing 129 and 137.

Chinle hosted its own Cross-Country Invitational over a three mile course and this was won by Tuba City, which also won State "A" Cross-Country Meet.

This year's cross-country team consisted of Johnson Bia, Henry Yazzie, Wilford Bia, Marshall Francis, and Anthony Clausehee with a total of 23 students participating in the program.

Coach Cripe

Unfortunately, this season was somewhat short for the Freshmen Wildcats. Several teams cancelled or forfeited, however, this did not affect the players morale. The team smashed their first opponents, Monument Valley lost 22-6, while Tuba City lost 22-0. Freshmen gave Holbrook a run for their money as the final score ended with only two points lacking, 6-8.

Freshmen Coach James discusses tactics with his Fresh squad, then ponders over the situation.

J.V. 6-1-1

The Junior Varsity Wildcat Team had a rather successful season under the leadership of Coach John Kimbrough and Assistant Coach Joe Beckford. JV Wildcats won their first game as a result of a forfeit.

At Window Rock, the Junior Varsity team won a second thrilling game with the final score being 28-0. Although the Tohatchi Hawks proved to be a tough team, the Wildcats tied with a score of 8-8. Monument Valley was walked over when the JV beat them 42-6. Tuba City lost to the Cats by a wide margin as Chinle won a 26-6 victory.

As did the Varsity, the JV has a tough fight against Holbrook and sustained their first loss, 38-6. Arch rivals, Many Farms suffered once more from the crushing blow of the Chinle Wildcats, as did the Ganado Hornets, leaving the season record to read 6-1-1.

however, the fumbling Cats could not seem to get their hands on the ball. Being down 13-0 at the half, the Wildcats finally got their steam up and rolled back to within 11 points in the 3rd quarter on a touch down. But, the Showlow Cougars scored again. A short time later, the Wildcats scored. In hope that an on-side kick would do the thing, and it certainly did, guard Jimmy Jones recovered again on the 50 yardline. With the Wildcats a scoring threat once again, a Showlow defender intercepted the desperate pass attempt to put the Cats on the short end.

Under a cloudless, sunny day the Wildcats went to Ganado for a showdown with the Hornets. It was a defensive battle against the run as both teams could not do much during the first quarter. The Wildcats showed they were tougher as they scored first on an 18 yard toss from Cornelius Tom to Colin Tsosie. Chinle scored big again when Tom connected with Tsosie again on a 26 yarder. Ganado finally scored in the final minute as time ran out.

It was another one of rival games with Many Farms. Knowing they were down last week, the Wildcats, turned the score around and romped them 50-0. Backup QB Cornelius Tom took over the QB job when ace QB Mike McGilbary was taken out for the rest of the season with a broken collar bone. Tom showed the Wildcats were still in good hands by playing to a 22 pt. second half and passing for 102 yds.

For the Wildcats this was an important Conference (Do or Die) game against Arch-rival Window Rock, Downing them 34-28 in Conf. Playoff. After compiling 21 pts. in the 3rd quarter the Scouts managed to surprise the Wildcats by tying the score in the 4th quarter as time ran out.

The Wildcats coming out of the seasons opener loss, made the Eagles of Crownpoint wish they never came to Wildcat Country: as the Wildcats grounded out 255 yds. on the ground. McGilbary lead all rusher with 101 yds. on 1 attempts, he also ran for 2 TDs., one for 70 yds. and one for 21 yd. P. Jake also scored on a 9 yd. pass from McGilbary, late in the first half. It was an 18-6 score for the victorious Wildcats.

In the seasons opener against Shiprock, the Wildcats went down in defeat, in a game that was badly riddled with penalties. With time running out, the Wildcats in an attempt to dominate the score, gambled on 2 pt. conversion. But they found themselves 1 game down in the opener, as the game went to Shiprock 13-12.

The First touchdown of the season was scored by

Edward Brown, Marvin Peshlakat, Bert Yazzie, Marshall James, Julius Tom, David Litso, Floyd

RODEO CLUB

The Rodeo Club was sponsored by Mr. Lowe and Mr. Browning last year. We participated in a couple of fall rodeos around the Reservation area due to an increase in the number of High School Rodeos in the area. We sent six boys to the state meet in Douglas.

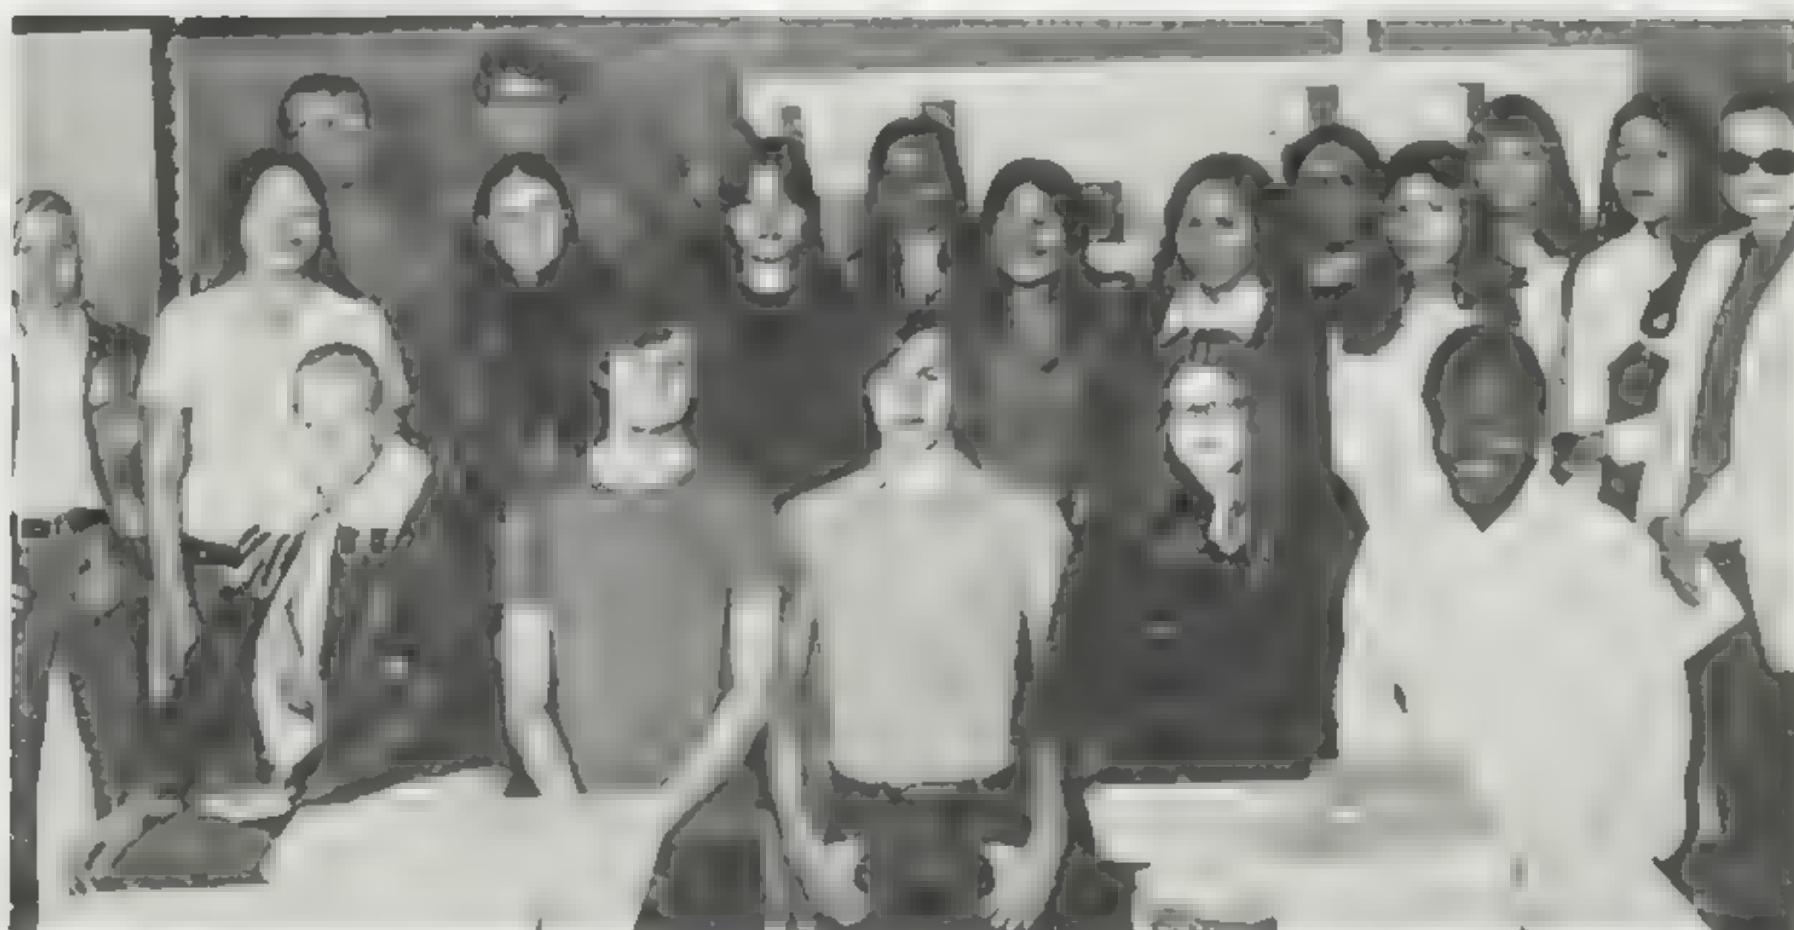

There we had one boy qualify for the National Finals in Utah. From this he was offered a Rodeo Scholarship by N.A.U. This cowboy was none other than graduate Harry Yazzo.

This year the Rodeo Club is sponsored by Mr. Lowe, Miss Klinker, and Mr. Anderson. The club president is Howard Etsitty. We plan on a one-day rodeo here at C.H.S. in the spring in conjunction with the Lion Club Rodeo where we will see most of our club in action.

Spanish Club - "La Alianza Española"

The purpose of "La Alianza Española" is to learn something of the culture of Spanish-speaking people in Spain, Mexico, Central and South America. Plans for a trip to Santa Fe had to be cancelled because of the gas shortage.

In November members worked hard on a Mexican Dinner which they planned, prepared, and served. It was very successful; they made more than \$100.00. In December they made pinatas to break at their Christmas party. "La Alianza Española" ended its activities for the year by celebrating "Cinco De Mayo" which is Mexican Independence Day.

The Tse-Yi Annual Staff worked diligently throughout the year producing this year's annual. Members of the staff took and processed their own photographs for assigned layouts. They spent many extra hours preparing materials, gathering photographs, etc. Because the annual is not subsidized, Annual members worked to earn money by selling candy, soliciting advertising, printing photos, and other events.

I would like to thank those students who worked so hard and contributed so much to Tse-Yi, 1971

-ALYCE M. HAMILTON-

Due to early August departure, we are not able at this time to present the 1974 Salsatorium. When the Annual was ready for shipment, Eric, Janet, Curtis, Gordon, and Earl Russell were all within a fraction of 1974 Salsatorium. Therefore, we chose to announce the three candidates at this time.

Earl Russell was elected according to his or her accumulative grade point resulting from four years of work in the E Series.

KELLOGG INTERNSHIP PROGRAM

Since 1868, the Navajos have been exposed to education, but in recent years, Navajo parents and tribal government officials have expressed concern about the limited number of Navajo students who train to become professionals in the fields of engineering, education and health—to mention a few areas of great need.

Mr. Guy Gorman Sr., Chairman of the Board of Regents at Navajo Community College, talked the problem over with other members of the Board and with members of the Tribal Council as well. All agreed that some thing must be done to attract greater numbers of Navajo Students into the professions.

So a training program was set up between Navajo Community College and Chinle High School aided by the Kellogg Foundation.

Miss Gloria Grant took over the Silversmithing classes in early November, first as a student teacher from Northern Arizona University and in January as the head Silversmithing teacher at Chinle High School. Left: Miss Grant observes as Vocational Students Fred Stewart, Wilford Bia, and Ruben Cruz work during their two-hour block.

The Vocational Silversmithing Class is part of the Navajo Crafts Program at Chinle High School which provides students with a skill through which they can earn a living on the Reservation. At the same time, students are able to continue the art of silver design which is unique to the Navajo people. Participants in the program learn silver working and marketing procedures, and the methods of keeping records associated with the large-scale production of silver items.

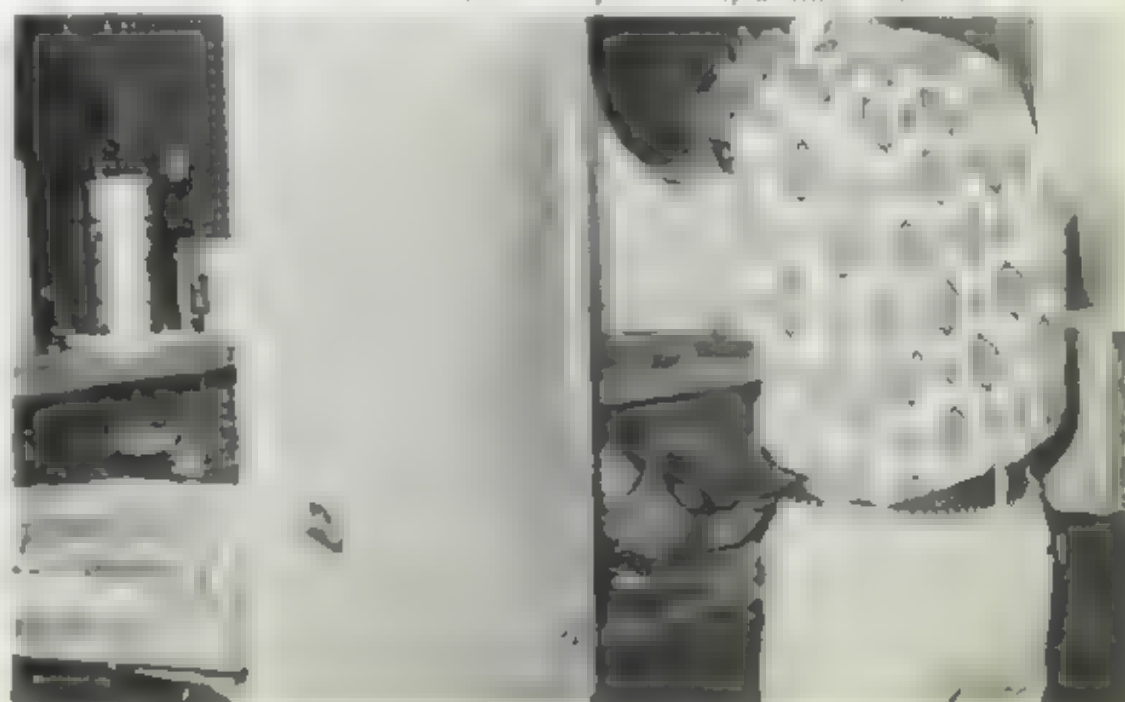

The Silversmithing Program has been funded through the Arizona Department of Vocational Education for a three year period. It provides for the hiring of a local silversmith Mr. Henry Silversmith, who aides the teacher by presenting traditional skills and methods.

Students in the silversmithing program first learn the basic metal-working techniques using copper and brass. Students then begin to work with silver which they cut, solder, sand and polish to produce jewelry items. Silverworking at Chinle has become not only a form of art, but also a source of income to many Silversmithing students. The Silversmithing students held a Christmas Silver Sale and continued throughout the year to present and sell their work at various monthly sales. Many work opportunities are open to the individual skilled in silversmithing.

The Domestic Weaving Class was established as a class so students could earn a living without leaving the Reservation. In class students learn the basic skills in dyeing, spinning, weaving and the selling of produced goods.

Products made by the class include Traditional Navajo Rugs, Sash Belts & Small felt Purses.

The Domestic Crafts program is a federally funded program and is taught with the Assistance of a Navajo Weaver, Mrs. Mary Bitsui.

Vocational Agriculture

The Vocational Agriculture Program here at Chinle High School can be broken down into 4 areas. It begins with work in general agriculture which includes two years of basic information concerning Ag. FFA, parliamentary procedure, public speaking, careers, soil, crops, livestock, arc and oxyacetylene welding, cold metal work, hot metal work, wood working, tractor operation and maintenance, rope work, salesmanship, and many other facets of Agriculture are taught during this two year program. From there students branch out into specialized programs of Ag. mechanics, production and management, and horticulture for the remaining two years.

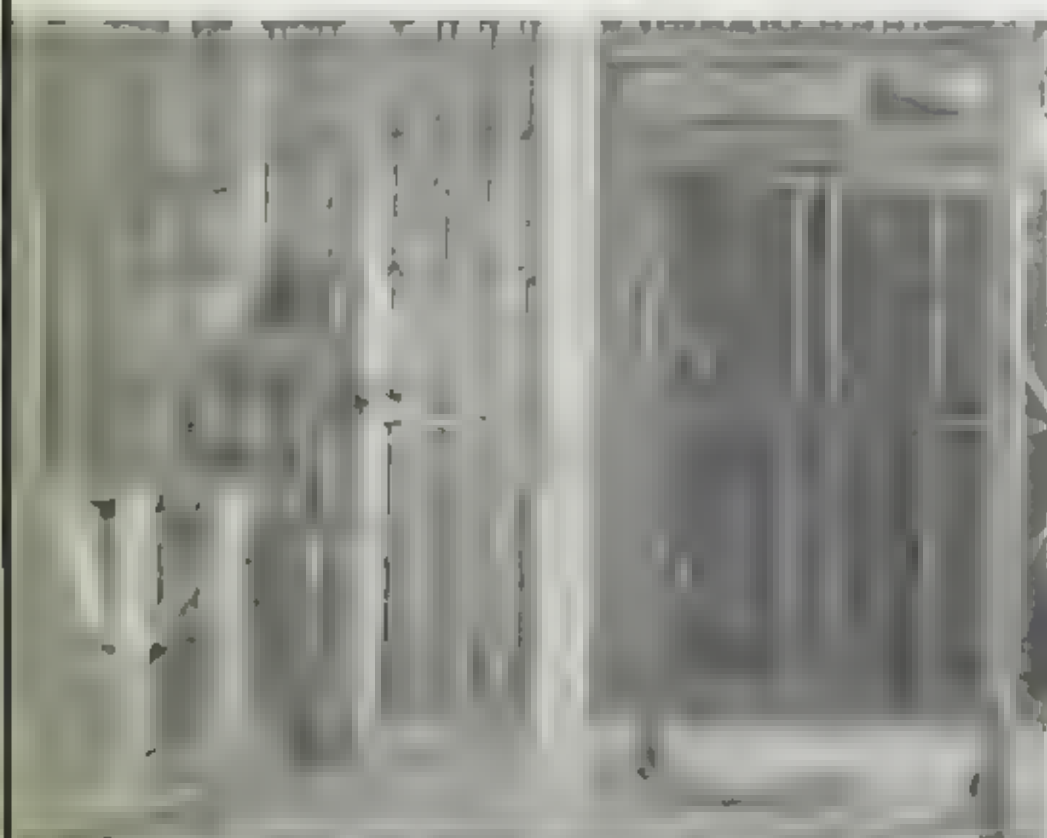

In Ag. mechanics students deal with the fundamental operation of an internal combustion engine, concrete work, specifics on tractor operation and care, advanced welding practices, plumbing, electricity, project construction, specific job requirements and training in those areas.

The Agricultural Production Management curriculum is centered around the alfalfa field, the cattle and hogs and the range improvement areas. The subject content included artificial insemination, horseshoeing, electricity, range management, Profit Maximizing Principles, agricultural marketing principles, livestock feeding and other areas dealing with agricultural production. The ultimate goal of this program is to graduate students that can successfully manage an agricultural production program.

The Ornamental Horticulture Program is designed to provide basic and specialized knowledge and skills required for initial employment in the field of Horticulture. The curriculum content includes: careers in Ornamental Horticulture, soils, plant growth and development, plant propagation, plant growth structures, nursery production, turf management, horticultural mechanics, landscape maintenance, floral crop production, floral design and arrangement, and many others.

TWO NEW BUILDINGS ON CAMPUS

There are some new classrooms and an Activity building on campus this year and they should all be in use soon.

On the site of the three old tennis courts is an enormous new building that will house many classrooms. It will cost close to \$250,000 before it is finished and it is being paid for out of the budget and Title IV money.

The P.E. and Voc. Ed. Depts. will absorb a major proportion of the 42 thousand square feet of floor space. On the western side of the corridor, the P.E. Dept. will have some badly needed new facilities. The largest room will be a gym for the Boy's P.E. and the Girl's gymnastic class will also have a new room. There will be a new Varsity dressing room and a new dressing room for the Boy's P.E. that will also be used by visitors. The Wrestling team will have their own room and a weight lifting room is there as well.

A classroom for the Health class will be in this end, also Mr. Borin and the rest of the P.E. Dept. will have offices, a badly needed storage room, a medical office, and a facility for the visiting officials.

The Eastern wing of this new building will be used by the Voc. Ed. Dept., Auto Mechanics, Shop, and the Drafting class will all be out there. The rug weaving class can set up their looms in their new room and an Audio Visual room will provide space for many classes. Let's keep our new buildings clean.

DEDICATED TO COACH GLENN CLARK

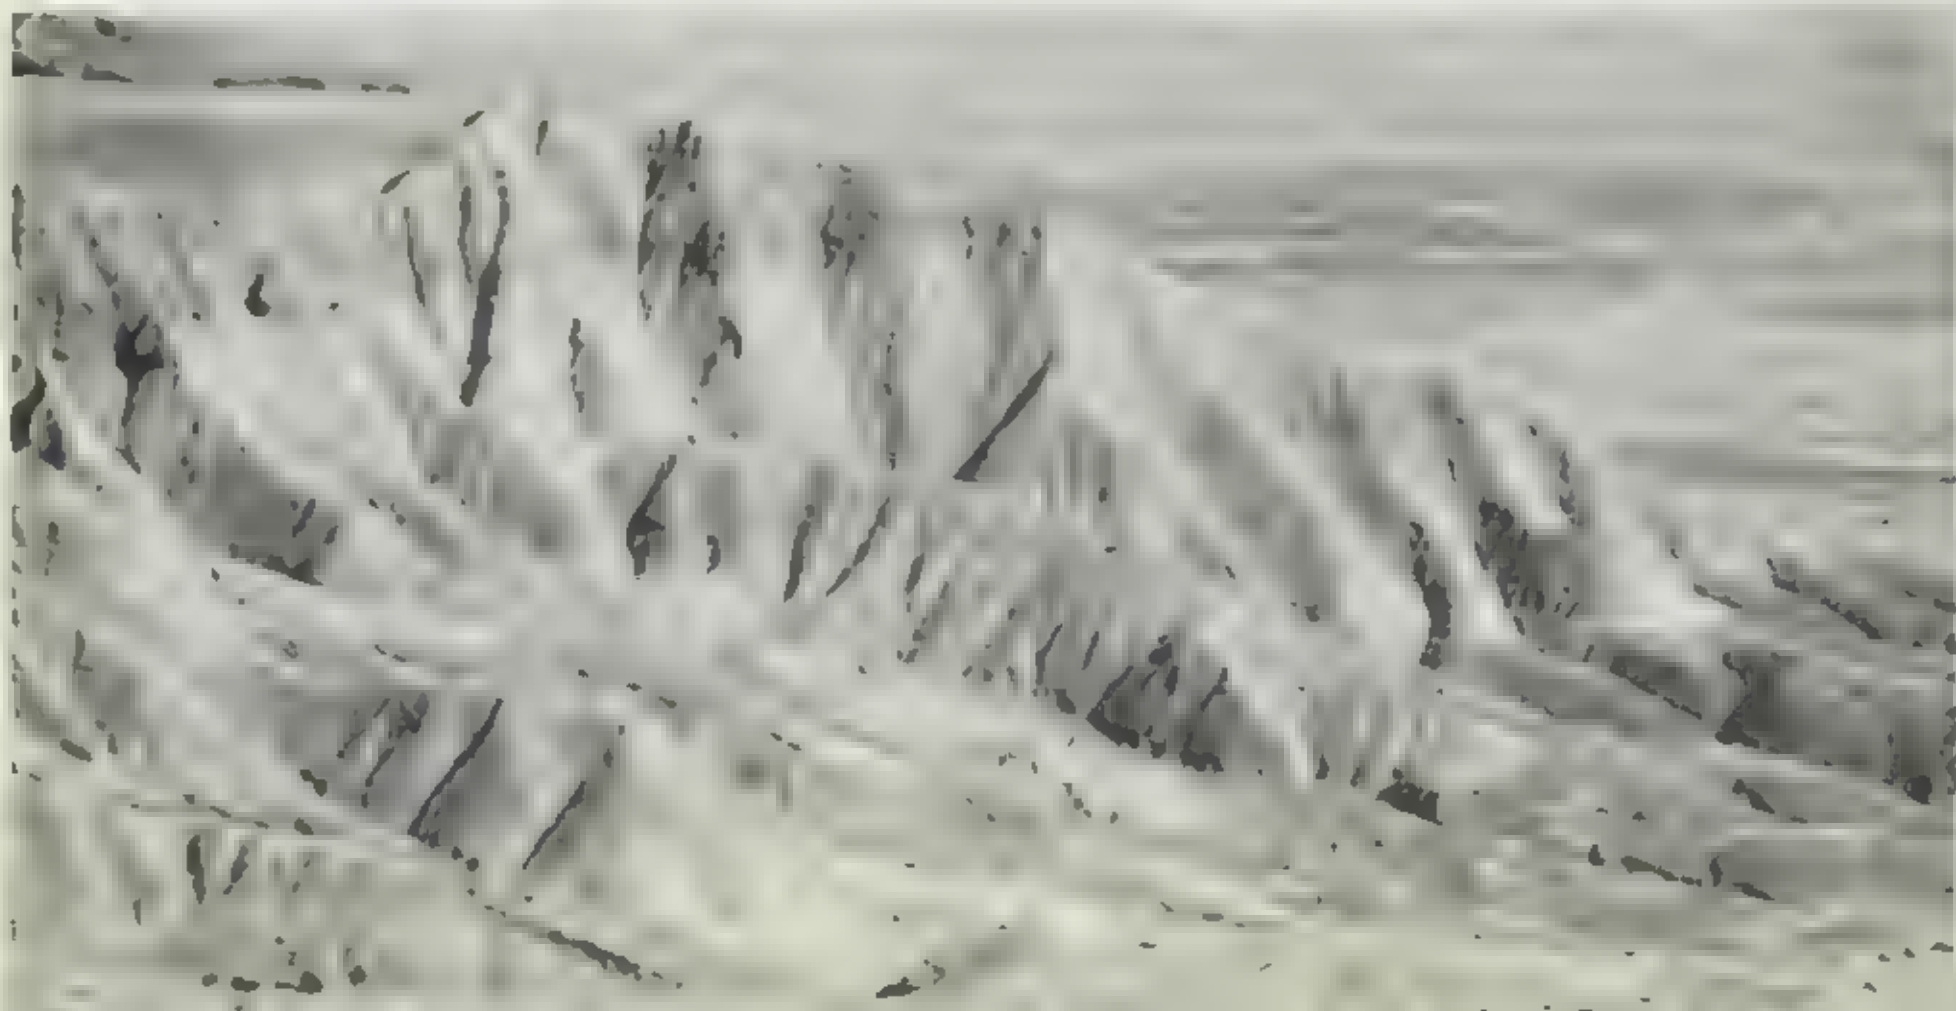

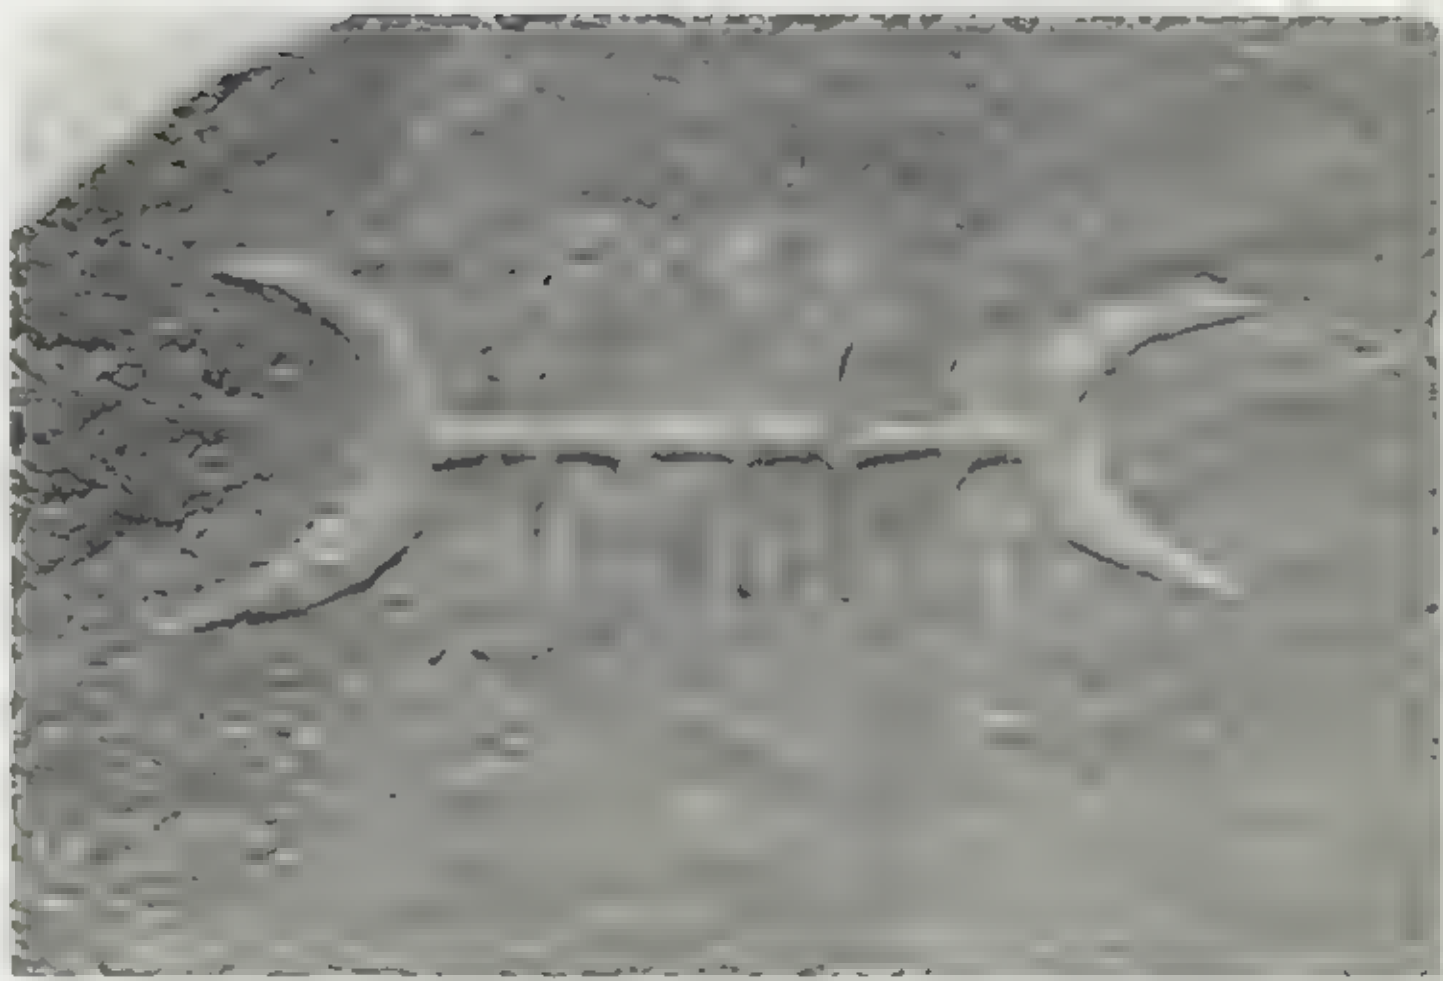

Every year the annual staff dedicates the annual to someone on the high school staff who they feel has contributed much to the betterment of the school. The 1973-74 year is dedicated to Coach Clark because in the opinion of the annual staff he has clearly helped to make the school better. Coach Clark has coached just about every sport: Football, Baseball, Basketball, Track and this year the rifle team. He has taught at Farmington, New Mexico for 3 years, Monument Valley School in Kaventa for 2 years, and Williams, Arizona for 2 years. This will be his second year here teaching drivers training and coaching Football and Baseball. He enjoys hunting, carving Kachina dolls, and fishing and camping with his wife and 3 daughters, ages 11, 7 and 5.

It is lovely indeed, it is lovely indeed
I, I am the spirit within the earth
The feet of the earth are my feet
The legs of the earth are my legs
The bodily strength of the earth is my bodily strength
The thoughts of the earth are my thoughts
The voice of the earth is my voice
The feather of the earth is my feather
All that belongs to the earth belongs to me
All that surrounds the earth surrounds me
I, I am the words of the earth.
It is lovely indeed, it is lovely indeed

SONG OF THE EARTH SPIRIT, ORIGIN LEGEND

In beauty may I walk.

All day long may I walk.

Through the returning seasons may I walk.

Beautifully will I possess again.

Beautifully birds . . .

Beautifully joyful birds . . .

On the trail marked with pollen may I walk.

With grasshoppers about my feet may I walk.

With dew about my feet may I walk.

With beauty may I walk.

With beauty before me may I walk.

With beauty behind me may I walk.

With beauty above me may I walk.

With beauty all around me may I walk.

In old age wandering on a trail of beauty, lively, may I walk.

In old age wandering on a trail of beauty, living again, may I walk.

If it finished in beauty.

It is finished in beauty.

- PRAYER, NIGHT WAY

"WALK IN BEAUTY, WALK IN BALANCE . . ."
